Advertising Funded Publication for your Association!

Publications UK, the exclusive publishing partner to the Trade Association Forum, will produce your association's annual publication AT NO COST!

Publications UK are the leading publisher of advertising funded media for trade associations in the United Kingdom, their one stop service will publish your annual publication and underwrite the full costs, guaranteed! How do they do this? Simple, they sell advertising and sponsorship space within the publication in order to fund the entire project.

Says Stewart Lee of Publications UK, *"Be it a members directory, a buyers guide for your industry, a handbook including your annual report, an exhibition catalogue or perhaps a souvenir brochure celebrating a milestone in your association's history, Publications UK will produce thousands of copies for your association, saving many thousands of pounds in design, printing and staff resources for your organisation" You supply the text and we'll do the rest transforming it into a full colour, easy to use publication, and it won't go to print until you've signed it off!*

Publications UK are the exclusive publishing partner of the Trade Association Forum, and TAF Director Stuart Bean comments; *"Publications UK is our chosen and recommended partner because of the consistently high level of service and product that they have always provided to so many of our members. We have been inundated with positive feedback from our members that use their service and we encourage you to try them out"*
