INSURANCE HR AND HEALTH & SAFETY LEGAL SUPPORT TRAINING

PARTNERSHIP SERVICES FROM

# AFFINITY

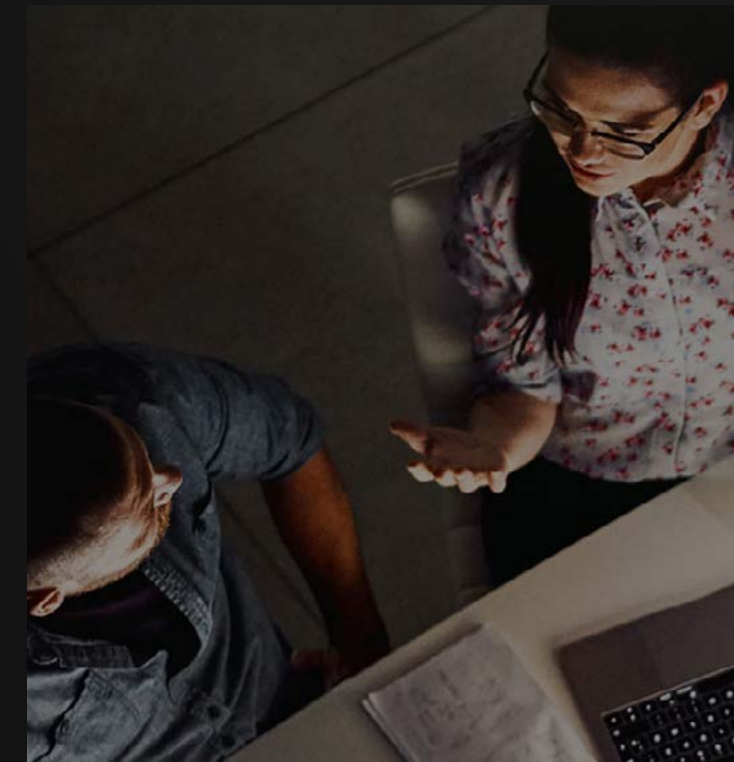

## BUSINESS SERVICES

Quest Business Services and the Vantage Group of companies were all part of the Qdos Group and have been successfully trading for 30 years. In 2018 we rebranded into our current form. We provide advisory services (HR, health & safety) through Quest to membership organisations and direct to businesses, insurance services to brokers and partners plus legal services through our regulated legal practice. All these services are delivered across the UK from our office in Leicester.

## COMBINED EXPERTISE

The scope of our service offering combined with our expertise, not just in the service areas but also in the delivery of membership services, is totally unique. If you are looking to add value to your membership or client portfolio, boost your retention rates and improve your level of new member or client acquisition then take a fresh look at the services we provide.
